

ANTONIAN SOCIETY

Will Mayfield College February 22
The initial program of the Antonian Society of W. M. College will be rendered in the College chapel Friday, February 22, 7:30 p. m.

Already the knell of the Juliets has sounded and soon with scintillating splendor, the adeptness of the Antonians will be exhibited upon the proud and dizzy heights of fame.

The tenor of the program is: True Loyalty and Love of Country.

Among the many features that will afford entertainment for the audience are: Patriotic Songs (orchestra accompaniment), creations, vocal solos, instrumental solos, pantomime, (from Romeo and Juliet) and debate.

The latter will be the climax when the chains of iron logic clank upon the intellect of the conservative populace.

The question for deliberation as heretofore designated is: Resolved, "That Love Is Mightier Than the Sword."

The proceeds will go for the purchase of Thrift Stamps.

Don't miss it. Admission 15 cents.

To All Persons Interested in the War Savings Stamp Campaign

Dear friends:

The county chairman of this campaign, Judge F. M. Webb, has selected township chairmen, of which they have had notice, and it is the purpose of this article to urge these chairmen, as well as any other individual who has a patriotic feeling for his fellowman, to push to the farthest limit the following plan:

It shall be the duty of the township chairmen to organize their respective townships into working units, hold mass meetings at their various schools, churches, and reunite their people to the point of buying War Savings Certificates. These meetings will be held at the time and place indicated below, at 7:30 p. m.:

Monday, March 4.
Districts No. 1, 4, 7, 13, 16, 22, 28, 34, 37, 40, 42, 50, 53, 63 and 78.

Tuesday, March 5.
Districts No. 93, 92, 89, 85, 83, 75, 70, 58, 66, 61, 58, 84, 41, 10 and 24.

Wednesday, March 6.
Districts No. 38, 2, 5, 14, 18, 24, 27, 29, 35, 43, 52, 60, 67, 73 and 81.

Thursday, March 7.
Districts No. 3, 9, 23, 26, 30, 36, 39, 47, 51, 56, 65, 68, 72, 87 and 19.

Friday, March 8.
Districts No. 82, 6, 21, 31, 12, 15, 17, 25, 32, 44, 48, 57, 59, 64 and Cox.

Saturday, March 9.
Districts No. 88, 49, 55, 8, 11, 20, 33, 74, Hall, James and Lutesville.

Friday, March 1.
Marble Hill school district No. 47.

The purpose of these meetings will be to create a fund with which to purchase War Savings Certificates in the name of the respective school district, for example, "School District No. 16, Bollinger County, Missouri." The means used to raise these funds, in the discretion of the district, may be a box supper or a program or both. In addition to the sale of boxes filled with eats, an admission fee may be charged at the door. The program may be a contest in recitation, essay writing or debate, interspersed with patriotic music. When these certificates mature, which will be January 1, 1923, the cash may be applied to library, maps, globes or other school equipment or in beautifying the school grounds.

It is hoped that the people of the respective districts will take the lead in this most important campaign. Let the good work begin at home. Don't wait for any one to come to your assistance. Create within the several districts a friendly rivalry to own the greatest amount of War Savings Certificates in the name of your district.

Yours for our country,
A HELPER IN THIS CAMPAIGN.

Our school closed Saturday after a very satisfactory term by Mr. Slinkard. Everyone admits that he has taught one of the best terms of school we have ever had. The ladies served a bountiful dinner and a splendid program was well rendered by the pupils in the afternoon.

We had a Red Cross meeting here Sunday morning and elected officers. W. A. Shull gave us a talk, explain-

ing many things about the work of the Red Cross. We have not done any work yet, but are all anxious to do so, and as soon as we can get the material to work with we will be busy. We want to help our boys all we can.

If I see this in print, look for me again.

W. M. C. Notes

The program rendered Friday evening by the Juliets was a brilliant success. It was composed of a variety of good things, among which were musical numbers, good essays, a very inspiring reading and an effective debate. The different numbers of the program reflected much credit upon the industry and talent of the girls, upon the departments of music and elocution in the college and upon the talented and enthusiastic director, Miss Edna Davault. Indeed the program was unquestionable evidence of the progress being made in the English department, since the coming of Miss Davault.

The young women every where should be thoroughly awake to the responsibilities of the women of today. They should realize that by them a greater part is to be played in the world's affairs than ever. This realization was perhaps the chief cause of the organization of the society of Juliets. Its purpose is the elevation of the spiritual, intellectual and social life of the college. The proceeds are to be used in purchasing Thrift Stamps, and later to become a part of the Library fund.

Antonians—the boys' society—remember that the fact that the goat and program rendered by the girls will be hard to equal, but the W. M. boys can do things. Also keep in mind the fact of the efficiency of your worthy directors. May I say to each of you, be satisfied with nothing short of your very best effort. How blessed to see the spiritual, intellectual and social life of the boys grow!

This program will be rendered Friday night, the 22nd, in the Col-

IRRITABLE NERVOUS

Was Condition of Indiana Lady Before Beginning to Take Card-u-i, the Woman's Tonic.

Kokomo, Ind.—Mrs. H. Hankemeier, of this town, says: "I look so well, and am so well, that it does not seem as if I ever needed Cardui. But I was not always this way. I think I have taken a dozen bottles before my little girl came."

I was feeling dreadfully bad, had headache, backache, sick at my stomach, no energy. I was very irritable, too, and nervous.

I began taking Cardui about 6 months before my baby came. As a result all those bad feelings left me, and I just felt grand, just as if nothing at all was the matter, and when the end came I was hardly sick at all.

Since that I have never taken Cardui at all. It has done me good, and I know it will help others, if they will only try it."

Many women have written grateful letters like the above, telling of the good that Cardui has done them. Why should it not help you, too? If you suffer from any of the ailments so common to women, and feel the need of a safe, reliable, strengthening tonic, we urge you to begin today and give Cardui a fair trial. Baptist Church.

A joyful surprise came to the pastor's family Thursday evening. A large crowd of men, women, young folks and children came loaded with fruits and vegetables of almost every kind that grows in Bollinger county, also coffee, sugar, meat, flour etc. Mrs. Chostner and Mrs. Kinder sent baskets later. Who knows better how to make a fellow rejoice than our church folks? Dr. Mehan was spokesman and his words were very appropriate and encouraging. I would like to give the name of each person present, but the editor might think it too long. After a very pleasant social hour all departed, ever to be kindly remembered by our family.

Brother Jackson preached Sunday night, as Brother Winters and I left immediately after the morning service for Fredericktown to meet the state workers who are now making an efficiency campaign of every Baptist association in Missouri. They spend a day or two in each association at some central or convenient place, having previously notified the district board and pastors to meet with them. We had a great time in our meeting Sunday afternoon and again Sunday night. Dr. Truex is secretary of St. Louis district, Miss Powell representative of B. Y. P. U. and Rev. George W. Graham Sunday school worker. May I say just here to the many friends of Bro. Graham that he is coming up nobly with his work. All friends will please accept his regards thus expressed.

The executive board of St. Francis association organized Monday morning by electing H. W. Winters chairman, Bro. Whitener secretary and Ed H. Webb treasurer. The next meeting will be held at Matquand the fifth Sunday in March, providing it meets the approval of the church and pastor. Bro. Ward, pastor at Fredericktown, and the writer were each asked to do some special work in trying to make the fifth Sunday meeting a profitable occasion.

We are almost definitely expecting Miss Powell, with at least one other specialist, to spend several days with Marble Hill church and Will Mayfield College this spring. The coming of these specialists will be a great blessing to all.
